The copyright in the recording belongs to the RCP which may use both the recording and materials for a range of purposes, including but not limited to, publishing on RCP online sites, creating CDs or DVDs, and delivery via distribution partners. **Please understand that there is nothing in this Speaker Release requiring you to give your ideas to RCP. If you plan to give the same talk somewhere else, there is certainly nothing in this release that would keep you from that engagement.**

By signing this form I agree to the below:

- The inclusion of my contribution in this recording, the nature of which has been explained to me. I understand that my contribution will be edited and this will be used at the discretion of the RCP. I grant the RCP the right to use my name, likeness, image, voice, appearance and performance as embodied in the recording.
- I acknowledge that the RCP, in capturing my presentation, will become the copyright owner of the recording. To the extent I have any rights in the recording, I hereby assign all rights, title and interests in and to the recording to the RCP.
- I understand that I will continue to hold all rights, title and interests in the materials for my future use.
- I verify that I have the authority to enter into this agreement and will be bound by its terms.

I grant the RCP a royalty-free, irrevocable, transferable license to use in support of the recording in any medium now known or hereafter created for the materials I use.

I confirm that I have permission from all third party copyright owners for items included in my materials.\*
